## AST 111 Labs - CONTACT INFORMATION - Fall 2021

### WHOM TO CONTACT FOR WHAT:

#### For serious class conflicts, or general advice re. AST 111 or 112 Labs:

**Contact your Instructor:** Dr. Rogier A. Windhorst.

**Office Hours:** Mo 12:00 noon-01:00 pm via Zoom only: <https://asu.zoom.us/j/7191824655>

[You have to be logged into my.asu.edu in order to enter any ASU Zoom room].

**Phone:** During the pandemic, you may call my cell: 480-540-0816 (if I don't pickup rightaway, you must leave a msg, or your phone number will get automatically flagged as spam, and then you cannot call me again). Sometimes I have bad internet connection, so if I am not on Zoom during my office hours, please feel free to call my cell phone.

**Office:** GWC-508; Phone: 480-540-0816 (during office hours) or 480-965-7143 or 480-965-9416 (outside office hours).

**Email:** [Rogier.Windhorst@asu.edu](mailto:Rogier.Windhorst@asu.edu)

**Mailboxes (for Prof. Windhorst and all TAs):** Room PSF-686.

**Offices hours for all TAs:** In fall 2021 by Zoom only, see Table below.

Prof. Windhorst is swamped with Emails re. the AST 111/112 Labs, so he apologizes that he cannot answer them all individually. However, he WILL report your questions to the TAs every week and update the webpages accordingly, and/or have your questions discussed in class by the TAs, if necessary. So please keep an eye out for modified webpages (see the ``Pages last updated" to the left), and be in contact with the TAs to get all your questions answered. Emails with questions that are answered on the class URL will not get answered --- you are expected to read these webpages instead!

Instead of Emailing us, answers to almost all your questions can be found as following: (1) via this class website --- make sure to read the whole website and click on all buttons on the left to get all your answers; (2) your questions will be answered in class, so make sure to attend all Labs; (3) ask your questions in class, so all students will benefit from the answer; (4) do not ask about your grades by phone or Email, since it is illegal for us to give out any grades over the phone or by Email (all grades will be posted via Canvas). Almost all your questions will get answered on this webpage, via Canvas, and/or verbally in class. The TAs or Lab Instructor **will** respond in person to Emails related to you having to miss class or Lab reports or Quizzes due to, e.g., serious illness or death in the family, that students can document in writing.

**If you need help with drop/adds, contact the SESE Office:** Mrs. Becca Dial or Kelli Wallace  
**Office:** ISTB4-795C.

**Phone:** 480-965-2213 or 480-727-3584 or 480-965-5081.

**Email:** [seseforms@asu.edu](mailto:seseforms@asu.edu).

#### For specific questions re. your lab section, lab material, missing classes, etc:
