

### **Extra Credit Opportunity – Learn more about SESE**

#### **Maximum Extra Credit: 20 pts**

*Points will be allotted based on the quality of the information provided.*

The School of Earth and Space Exploration (SESE) is one of the best interdisciplinary schools in the country. SESE has a strong focus on research through interdisciplinary collaboration and a forming a supportive community of intellectuals. To earn a maximum of 20 pts extra credit, learn more about ASU by exploring SESE, the people in the school, and what we do!

Research 3 members of the SESE community, and answer the following questions about their role at SESE. You might have to search further than just their ASU webpage!

Name of person 1: \_\_\_\_\_

1. What is this person's title (e.g., Associate Professor, Adjunct Faculty, etc.) and what is their area of research?
  
  
  
  
  
  
  
  
  
  
2. Where did they get their PhD, and subject was their degree?
  
  
  
  
  
  
  
  
  
  
3. Describe one aspect of their *past* research and one aspect of their *current* research.
  
  
  
  
  
  
  
  
  
  
4. Find one paper published by this individual within the last 3 years. What is the title of that paper, and what topic is it exploring?
  
  
  
  
  
  
  
  
  
  
5. List one question you would like to ask this person about their research.
